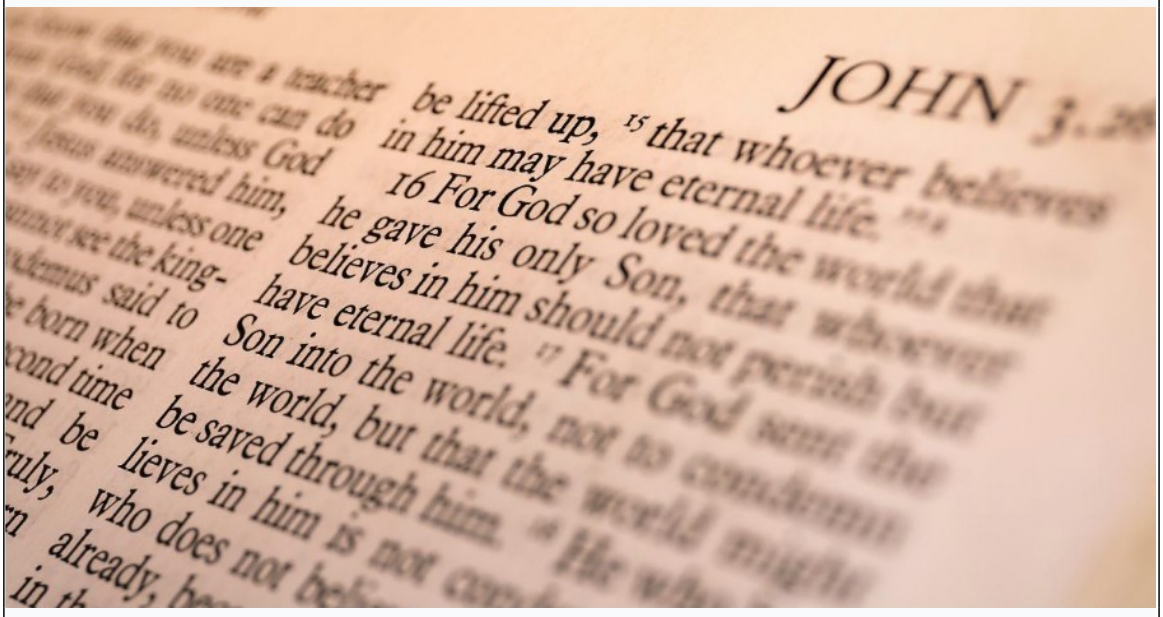
HOW ARE JESUS ELECT PROTECTED DURING THE TRIBULATION



JOHN
be lifted up, 15 that whoever believes
in him may have eternal life.
16 For God so loved the world that
he gave his only Son, that whoever
believes in him should not perish but
have eternal life. 17 For God sent the
Son into the world, not to condemn
the world, but that the world might
be saved through him.

FIRST WE HAVE TO UNDERSTAND WHO IS LIKELY TO BE SAVED, PROTECTED OR RESCUED BECAUSE THE CHURCH HAS LIED TO US ABOUT THE M.O. OF THOSE WHO WILL BE SELECTED. FURTHER JESUS SAID ONLY A FEW WILL BE PROTECTED.

John tells us above that the trick is that we must believe in what Jesus taught it says NOTHING ABOUT A BLOODY SACRIFICE WHICH SEEMS TO HAVE BEEN ADDED TO THE BIBLE STORY OF JESUS BY JEWISH and PAGAN WRITERS.

It is telling us not to follow the OLD WINE teachings found in the Old Testament but to instead follow Jesus NEW WINE TEACHINGS. Jesus taught us that we must never combine the two because it will contaminate his teachings and will destroy the truth. **The Jewish and Roman Orthodox Catholic and Christian Churches JROCCC teach the OLD WINE and put Jesus NEW WINE IN WITH THE OLD WINE**.

JESUS TAUGHT THAT HE WOULD PROTECT AND RESCUE HIS ELECT DURING THE TRIBULATION PERIOD.

The protection of Jesus' elect during the Tribulation is a central theme in Christian eschatology, particularly within dispensationalist theology, which interprets biblical prophecy as distinct periods of divine interaction in the past with humanity. Example: People who survived the last Pole Shift, Younger Dryas, Ice Age, Flood period.

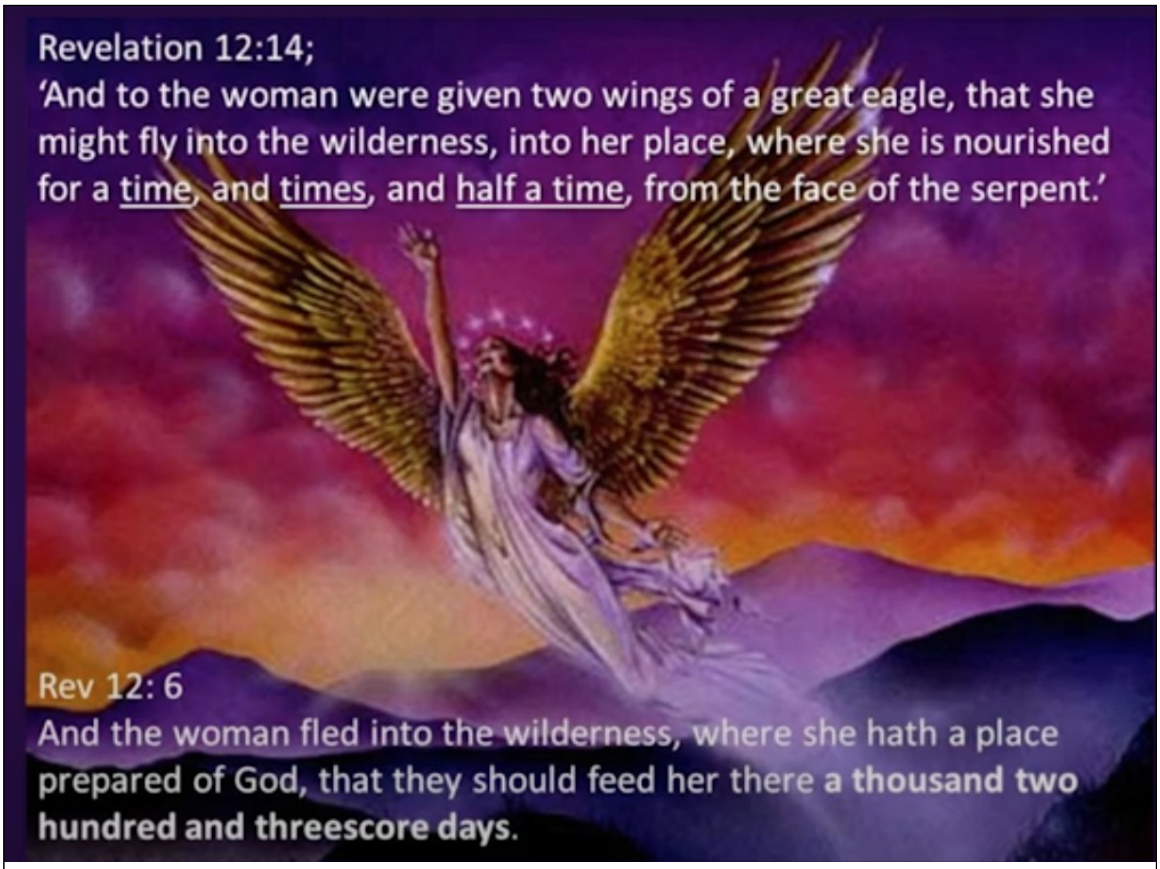
According to this framework, the elect will be those who are loyal to Jesus ONLY. They seem to be those who are safeguarded through divine intervention. Born Again Christians often associated this salvation with the concept of the "rapture" or direct supernatural preservation during apocalyptic events. I am very leery about the Rapture doctrines.

The Book of Revelation describes the Tribulation as a period of unprecedented suffering, marked by natural disasters, wars, and divine judgments, such as the opening of the seven seals and the sounding of the seven trumpets.

During this time, the elect are distinguished by their faithfulness and are often depicted as being supernaturally shielded from the worst of these calamities. For example, Revelation 7:3 speaks of the "sealing of the servants of God," a symbolic act of divine protection ensuring they are not harmed by the plagues and judgments unleashed upon the earth. This aligns with Jesus' words in Matthew 24, where He assures us that His angels will "gather His elect from the four corners of the earth" at the culmination of the Tribulation. This tells us that we are going be protected during this period. It also reminds me of "the woman" who are the followers of Jesus who came to America as pioneers from all over the world.

WHERE DID THE RAPTURE DATA COME FROM:

Dispensationalist theology, popularized by figures like John Nelson Darby and later embraced by many evangelical Christians, tell us that the elect **may be removed** from the earth before the Tribulation (in a pre-tribulation rapture) or preserved through it until a later date. Darby's teachings, **though are controversial due to their lack of explicit scriptural suppor**t. His teachings also emphasize a separation between the fate of the nation of Israel and the church (the woman) who are described as the followers of Jesus teachings. It is saying that Israel will be hit hard soon while the woman (Jesus people) are being spared the full brunt of divine wrath.



Revelation 12:14;
'And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.'
Rev 12: 6
And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days.

This seems to be telling us that those of us who follow Jesus teachings, not the teachings of the JROCCC are separate from what happens to the nation of Israel during the Tribulation Period. One of the reasons I think this is mentioned, is because the DESCENDENTS OF THE ORIGINAL NORTHERN ISRELITE tribes live in America today as the descendents of the pioneers. Also, Europe is a Catholic believing country where America is a Christian Country.

The rapture perspective suggests that the elect are either taken to heaven before the Tribulation or miraculously fed and protected during it. There are many accounts of believers enduring persecution while being divinely protected.

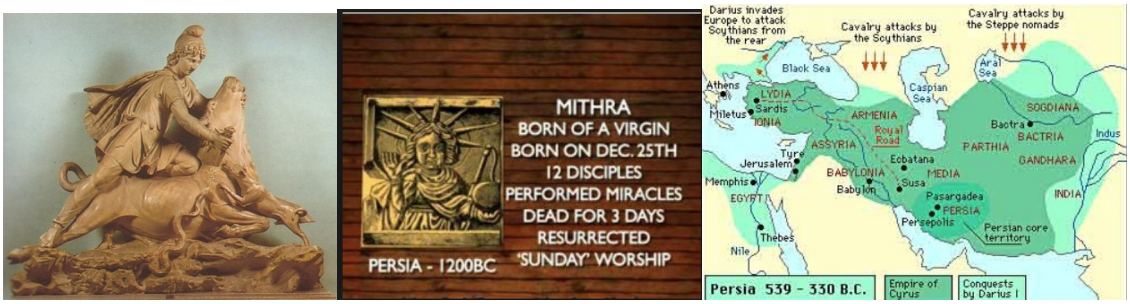
Jewish and Christian Zionism is a movement that supports Israel based on various prophetic interpretations. They believe that the restoration of Israel and the construction of a Third Temple are prerequisites for the Tribulation, with the

elect's protection tied to these events but I think this is probably Jewish and Christian Propaganda.

Historically, Puritan and evangelical traditions have linked the elect's survival to divine providence, often citing passages like Psalm 91, which promises deliverance from "the pestilence that stalks in darkness" and "the destruction that wastes at noonday." This aligns with modern interpretations of the elect being preserved through plagues, wars, and other Tribulation events, either by physical removal which happened when the pioneers came to America or by supernatural protection and sustenance in America during the Tribulation Periods.

This is illustrated by the statue of the woman with 12 stars (12 Tribes of Israel) over her head, like a halo, fighting the Bull Beast with the help of Jesus who is shown as a cherub on the left. The JROCCC worships the Bull Beast, which includes Mithras worship.

Mithras was a "mystery cult" or "secret society" prevalent in the Roman Empire between the 1st and 4th centuries CE., when the JROCCC was forming. It was primarily popular among soldiers, officials, and merchants. They were male groups who held secret, initiatory rituals in underground temples called *mithraea.*



Mithras is often depicted slaying a bull (symbolically). The Bull was associated with light knowledge, contracts, and sun worship. The Mithras cult was a secretive, male-only religion of initiates whose ideologies were copy pasted into the JROCCC religion and their Roman Bibles.

You can see that Mithras worship was copy pasted into the storyline of Jesus as was the life and times of the Jewish Messiah the Talmud Immanuel who was born in Bethlehem and died on the cross.

My point in saying this is that the JROCCC will also be destroyed for her debaucheries soon. All Christian religions are corrupt. They all use the same basic Bibles and Mithras Bible ideologies. This seems to be the bull ideologies that the statue of the woman is fighting in America, which is associated with the DEEP STATE NWO global take over plan.

WARNING: IF YOU WANT TO BE SAVED/PROTECTED AND RESCUED SOON THEN STICK WITH WHAT JESUS MAY HAVE TAUGHT ONLY!
